## *Play Safe & Stay Safe at Sonning Golf Club*

Sonning Golf Club has created these guidelines to maintain and help safeguard our members, guests & staff during the Coronavirus pandemic. We hope you enjoy your visit to the Club, in a friendly & safe environment.

The following information covers each step of your journey, from making your reservation, to your arrival onto the 1<sup>st</sup> Tee, hospitality throughout our Clubhouse and ultimately safely back home again.

We have successfully completed the Visit Britain Good to Go Covid-19 accreditation. All staff are temperature checked upon arrival at work and we collect details for guests to comply with the Track & Trace system,

High touch areas, such as bathrooms, door handles and restaurant tables & chairs, are disinfected and cleaned with a higher frequency.

Social distancing must be observed throughout the Club with no more than 6 persons making up any group (table). Please make use of hand sanitising stations.

The club continues, wherever possible, to take all measures to mitigate against the transmission of coronavirus. Please remain vigilant and respectful of those you will be sharing the Club with on your visit by closely following the following:

### *Pre-arrival:*

- ✚ All reservations must be made and confirmed in advance of your arrival.
- ✚ Full player names are required for all Golfers (including email / Tel number).
- ✚ At that point, the daily code will be provided to give access to the Club.
- ✚ All guests must not be self-isolating or displaying any symptoms of Coronavirus. Equally, guests must not have been out of the Country in the prior 14 days to any of the Countries on The Governments quarantine list.

## On-arrival:

- ✦ For guests with pre-arranged catering, arrival at the Club must not be more than 60 minutes prior to your Tee Time. For guests without pre-arranged catering, arrival must not be more than 30 minutes prior to your Tee Time.
- ✦ Guests should come dressed ready for Golf and change shoes in the Car Park.
- ✦ If you have pre-booked catering, please enter the Clubhouse first and enjoy that hospitality prior to changing into any golf shoes.
- ✦ Please register on arrival either at the Pro Shop or the Lounge Bar, where our staff will point you in the right direction for your reservation.

## On the Course:

- ✦ To eliminate high touch items, ball washers are empty and the water fountain & shoe cleaner remain disconnected.
- ✦ Flag sticks are present but must not be removed or touched.
- ✦ Special cups are in use to allow ball retrieval without touching the hole
- ✦ Once a hole is completed, the group in front must have exited the next tee box before your group can progress to that tee.
- ✦ Play a provisional if in any doubt of finding your ball (to avoid walking back)
- ✦ Equipment, food, and drink must not be exchanged or shared between players
- ✦ Scoring should be done digitally where possible & only shared post event.
